Subject: Removal of Material from Dumping Zone and Common Areas

Dear Residents,

This is to inform you that all **materials placed in the dumping zone near Mother Dairy** shall be disposed of by the **weekend**. If anyone wishes to retrieve any material, please do so at the earliest. Kindly ensure that **no items are left in corridors or common areas after removal**.

Additionally, some residents were given **time to remove shoe racks, almirahs, or other materials from the corridors**. We urge all residents to ensure that these items are **removed by Saturday**. On Sunday, a final inspection will be conducted. **Any unwanted material left in common areas will be removed by the management, and the cost of removal will be charged to the respective flat owner.**

We request all residents to help maintain cleanliness and adhere to society rules by not keeping personal belongings in common areas.

Your cooperation in keeping our surroundings clean and organized is highly appreciated.

With Good Wishes,

N. S. Yadav
President, Mahalaxmi CGHS

Lokesh Tuteja
Secretary, Mahalaxmi CGHS
